

Dear Friends:

I humbly and respectfully ask that you forward my letter to Congress to your respective Congressional Leaders - as well as your local media people. Furthermore, I want you to ask them to respond directly to the letter with their thoughts. This is so important. This issue cannot afford to be swept under the rug. I need you to lend me your support and make a conscious effort to contact these people in the media and congress that have an affect on your community. The time is right for us to do right. Enjoy your holidays - and when time permits - please spend some time to get this to the people that need to read it.

Yours for the cause of Love and Peace,

Cedric Dean
