

Dear Friends:

Yesterday, police in Pennsylvania released a video of 6 kids brutally beating and bullying another kid. This is one of the most serious bullying cases ever. I am asking that each of you seriously consider getting involved with my mission to help save children from crime, drugs and violence. You can make a difference and you should. Please visit www.cedricdean.com today and get FREE info on what you can do right now.

I look forward to working with you.

Yours for the cause of Love and Peace,

Cedric
