“How To Stop Your Children From Going To Prison”

Thanks for helping me save my child. Your book was a great help.

Cedric Dean breaks it down for parents, just like me, that don't understand. After reading this book, you won't ever be able to use that excuse.

This book saves lives. I'm glad that I was able to read it – Now I know how to stop my son from going to prison.

Hillary Hamilton, Chicago

My son was in a gang. After I read Cedric Dean's book, I was able to get him out. Thank you so much, Cedric Dean.

Tonya Thomas, St. Louis

No psychiatrist in the world could have taught me what I learned reading this book. Small price to pay for such a big lessons.
