

Dear Friends:

My SAVE campaign is looking for candidates to represent its mission nationally. If you have legal experience or if you are a licensed attorney, please call my mother, Betty Baker, at 704-222-1131.

SAVE is currently in the process of launching its fall campaign to provide prevention and intervention programs for at risk youth.

I humbly ask that each of you get involved. This is a very critical time for our children and our country. And I call on each of you to join SAVE in its mission to save the children.

I look forward to working with you.

Yours for the cause of love and peace,

Cedric Dean
